2nd Annual "Corvette" Show Coming Up

The Grayling State Bank Parking lot will be the scene again this year for the Second Annual Corvette Show. Time for the event will be held on Saturday, June 2nd from 10:00 a.m. to 3:00 p.m. and no registration or admission fee is required. The event will be held in conjunction with the Downtown Merchant's Association Sidewalk Sales. Features in this year's show will include the following:

- Trophies for various classes of corvettes.
- Music by "Cal Walls"
- Food by the Grayling Booster Club.
- Free Door Prizes
- A General Motors Prototype car on display.

John Alef, Jr., Chairman of the Corvette Show and the Downtown Merchants Association promise an even bigger and better event than last year which attracted throngs of local residents and visitors. Local Arts & Crafts will also be on display along downtown streets.

Kirtland Warbler's Day to be Held at KCC

Kirtland Community College will host its fourth annual Kirtland's Warbler Day on Saturday, May 26th. Interested persons should meet at the Student Center on the campus for a 9:00 a.m. car tour to the Kirtland's Warbler nesting area, conducted by John Byelich and Jerry Weinrich. Lunch will be served at noon in the Student Center, compliments of the Kirtland Audubon Society and Kirtland Community College.

Following lunch, a report will be given on the Kirtland's Warbler Recovery Team Program and a slide presentation will be presented.

In addition, Dr. Harold Mayfield will discuss the Kirtland's Warbler. Dr. Mayfield is the noted ornithologist and writer (author of the book "The Kirtland's Warbler"), who appeared at Kirtland's Warbler Day in 1977.

For further information on Kirtland's Warbler Day, contact Pauline Courmyer, President's Office, Kirtland Community College (517-275-5121).

Special Millage Information Service

A special Millage Information service will be provided by the Crawford AuSable School District between the hours of 6:30 p.m. and 9:30 p.m. on Thursday, May 24 and May 31. Interested citizens may call 348-7641 and address June 11 school election millage questions to Board of Education members and district administrators.

KCC Holds Tenth Graduation Friday

Kirtland Community College will hold its tenth commencement ceremonies on Friday, May 25, 1979 at 7:30 p.m. in the Auditorium. Over 100 students are eligible candidates for graduation.

David Primuth, President of the Wickes Corporation, will be guest speaker. Mr. Edward Babcock, Director of the college's Cadillac Center, will give the Benediction and Invocation, with music for the evening being provided by the Roscommon High School Band, under the direction of Larry Sumerix. Honor Student for the year is Karl Kersch, of Roscommon.

A reception will follow in the Student Center.

One-Car Rollover Injures Grayling Resident

According to the Kalkaska County Sheriff's Dept., a pickup truck driven by Michael McEvers of Grayling rolled over Friday on W. Bear Lake Rd. sending Bill Thompson, an occupant in the vehicle to Munson Hospital for suspected spinal and leg injuries. No information was available on his condition at press time.

Another year of education has ended and commencement time is again on hand. Graduation day for seniors has been set this year for Friday, June 1st at the High School gymnasium. The ceremony is set for 8:00 p.m. The event will culminate three days of festivities starting on Wednesday, May 30th when a Baccalaureate night will be held, with the Rev. George Spencer of Michelson Memorial Church giving the main address.

Class night will be held on Thursday the 31st with a number of interesting subjects on the docket.

All of the above will be preceded by the Senior Class Trip on March 22nd and 23rd when the graduating group will travel on a fun trip to Cedar Point. An Awards Assembly is also scheduled for 10 a.m. on May 24th in the auditorium. A number of special and outstanding awards will be made at this event.

In making the commencement agenda announcement, Principal Kent Reynolds announced Monday that Spencer Olsen had been named Valedictorian of this year's graduating class, Spencer, better known as "Skip", maintained a perfect 4.0 average throughout his high school career. Craig Brown has been named salutatorian for this year's class, maintaining an average of 3.953 throughout his high school career.

Memorial Observance Monday

The Annual Memorial Day observance in Grayling will be Monday, May 28th at 10:00 a.m. sponsored by American Legion Post 106. All participating units will gather on County Road adjacent to the cemetery at 9:45 a.m., Parade Marshal Art Thayer announced Monday.

After the program at the cemetery the participants will parade via Plum Street and Michigan Avenue to the Court House where additional services will take place. Because of the City Council's new policy regarding parades and banners on I-75 Business Loop, the parade will break up there instead of at the American Legion Hall as in the past.

American Legion Post and Auxiliary members, other veterans wishing to participate; National Guard Units, Grayling Police Department and Fire Department, Girl Scouts, Boy Scouts, Little Leaguers and High School and Middle School Bands, will participate.

If any other person or group wishes to take part they should contact the Parade Marshal.

Jeanne Lange Joins Avalanche For Summer

Jeanne Lange, 18, of Grayling, recently joined the staff of the Avalanche. Jeanne is currently enrolled at Ferris State College in Big Rapids. She is a first year journalism student and has worked on the college newspaper and college yearbook.

As part of the program the journalism student is required to intern at a newspaper of their choice. Most students intern during the summer of their first and second year.

Jeanne will be working for the Avalanche during the summer and then plans on returning to Ferris, in the fall, to continue on in the journalism program.

Closed Monday

The Grayling State Bank main office, Frederic and mall branches, First Savings and Loan of Saginaw, and the Crawford County Credit Union will be closed Memorial Day, Monday, May 28.

Shriners Meet

The Northern Michigan Shrine Club will meet this Saturday, May 26th at the Holiday Inn.

All Shriners and their guests are welcome. Cocktails 6:30 and dinner at 7:30.

"I Need Your Help"

by Dennis C. Rau
Crawford County D.S.S.
Editors Note: This is the sixth in a series of articles written on child abuse and neglect

When a child or parent or even a close friend states "I need your help," children's protective services attempts to offer that help. We have a 24 hour on-call service for people who have concerns about children being neglected or

abused. If it is during the working hours of 8 to 5 than all you need do is call the local Social Services office. In Crawford County the number is 348-7691. However, if you need to contact a children's protective services worker other than between 8 to 5 all you need do is call the Roscommon Sheriff's Department, number 275-8107, and they will connect you with a children's protective services worker who will assist you.

When we receive a referral, no matter who it is from, we attempt to contact the family involved and do an assessment on the situation. It should be noted that the reporting persons name is confidential information and the protective services worker will not disclose that name to anyone.

VOLUNTEER FIREMEN used the "Jaws of Life" to remove an accident victim from a vehicle last Wednesday morning when he apparently dozed off and overturned on I-75 south of Grayling. Don Curl of Lansing, driver of the auto, was transported to Mercy Hospital for treatment. Use of the equipment just before noon last Wednesday was the second in two days. Late in the afternoon on Tuesday, Volunteer Firemen used the "JAWS" to remove Vivian Wilson from her car after she was involved in a two-car crash on I-75 in front of Glen's Market. She was also transported to Mercy Hospital for treatment. (Joe Schrader photo)

Voters to Decide June 11th Will Quality Education Continue For Crawford Students?

by Dr. William Diedrich

Last week we began a series of articles for the purpose of informing residents of the Crawford AuSable School District about the issues surrounding the June 11 millage election. In last week's article we outlined some of the district's major accomplishments of the past year. We now turn to the question of why our Board of Education is asking voters to approve a 15.65 mill renewal and a 3.25 mill increase for the continued operation of their schools during the 1979-80 school year.

First of all, finances have been a problem for our school system for the past several years. Our district is currently in the bottom 10 percent of all school systems in the state of Michigan for total dollars spent each year per pupil. This has caused reductions in operational and instructional services. For example, our custodial and maintenance staff have been cut by 27 percent in the last four years and our teacher:pupil ratio at the high school is currently higher than those of most surrounding districts. Purchases of instructional supplies at all levels have continually been curtailed.

To this past history of limited funding, now add the effects of inflation. The Crawford AuSable School District is facing the same inflationary spiral as any other American business. Rises in costs of materials and a tremendous growth in energy and fringe benefits have taken a heavy toll on an already restricted budget. Although the district has observed strict limits in negotiated pay increases for employees and has closely controlled spending in optional areas, we now face a projected revenue shortage of close to \$300,000 for the 1979-80 school year.

While the district has made a strong effort to hold down spending, there are some costs over which we simply have no control. For example, school fuel costs for heating are expected to increase 18 percent next year for a 28 percent increase over a two-year period. Transportation costs are expected to go up 31 percent and electricity 15 percent during the

same period. Hospitalization benefits will cost the district 40 percent more next year than during the 1977-78 school year.

Faced with these types of rising costs, the Board of Education and others have cut the projected budget to the lowest level which will still enable us to provide the kinds of services expected by our residents. Beginning in February a lengthy process of budget modification was initiated. With the help of staff, the Board's Finance Committee, a citizen's advisory group, and the Board of Education, the original budget was modified and cut several times before the present version was adopted. In view of cuts made this year and in preceding years, we have now reached a point where further reductions cannot be made without having serious ramifications for our school system and the services we provide to students and the community as a whole.

The severity of the district's fiscal picture and the desire to be completely candid with the public prompted the Board of Education to combine the requested millage renewal and increase into one 18.90 mill issue on the ballot. Their belief is when renewals are presented separately on a ballot, the district is promising voters there will be no significant changes in the current services, if the renewal alone passes. In our case, passage of the renewal alone would still leave the district \$300,000 below projected costs. To balance the budget, unworkable cuts would have to be made. The Board has taken the view that presenting the renewal and increase as separate issues would be grossly misleading to the public. Both the millage renewal and increase are needed to continue school system operations.

Now that we have examined the reasons for the district's millage request, we will describe another facet of the millage election. In next week's article we will explain what services and activities the district will offer as a result of the millage's passage.

Arson Fires

(Continued from Page 1)

John Byrne. That occurred at about 12:20 a.m. A couple of hours later, a fire was reported at the Robt. Bryan residence at 301 Elm St. here in Grayling and arson is also suspected in that incident. Both structures were heavily damaged.

Running down the other fire calls during last week: On Monday, firemen were called to a car fire in downtown Grayling where a minimum amount of damage occurred to a car owned by Donald Beck.

Tuesday, they were called to a home owned by Evelyn Thornberg on M-72 West where a chimney fire caused considerable damage to an inside wall.

The same day firemen responded to a car fire on Michigan Ave. where considerable damage was reported to a car owned by Gene Rauch.

Early Thursday morning, the department was called to the Marshall Hospitality House where a fire caused heavy damage to one guest room and a game room.

Thursday afternoon, firemen were called to the James Brankov residence in Karen Woods for a clothes dryer fire.

A chimney fire on Sunday at the Harold Colliflower home off 4-mile Road resulted in minor damage but firemen were called to the scene.

From Our Corner ...

Sunday afternoon we were sitting out in our back yard, it was a little chilly, but nice, and just wondering what we could conjure up for this week's corner that would be easy so we could spend more time Monday evening on ads...

We wasted our time Sunday...Monday morning took care of it self as far as getting the corner started...

When we looked outside at the temp we knew right then and there we had taken our long Johns off too soon again...40 degrees is nice and refreshing, but, 70 degrees is much nicer this time of year especially with the pranks Mother Nature played on us this winter...now we have decided that no way will be consider removing our long Johns until the 4th of July...and maybe not even then the way our weather has been...it is going right along with the saying if you don't like the weather in Michigan...stick around for a half hour and it will change...

That was our first shocker for a Monday morning, little did we know there was more in store for the ol' fella...after bundling up to meet the elements, we stopped at the post office...had we known we would have gone home...our first step into the office was enough...the little black and white kitten had returned during the night and left her calling card...

Now we are going to ask one more time...how does one get rid of the kitten, that is besides catching it out side and using a four-ten on it...we are desperate...the DNR says sorry about that...the Humane Society says don't harm the poor animal...and neither one has to live with the odor...it's hard enough getting out your favorite paper without having a clothespin in your nose while your at it...

Speaking of wild animals...another misfortune hit us last Wednesday on our way to Mt. Pleasant for the printing of the paper...we have never hunted any type of animal in our life, let alone Michigan's white tail deer...just north of Clare we got one, before we even knew it, the deer jumped and that was that...we felt bad about the deer...but some how the skunk has got to go...

Once again we are approaching one of the most important days on our calendar...Memorial Day...the day one stops and pays respect for those we knew that paid the supreme sacrifice in serving their country...let it be a day we "lest forget" for the many...

It is starting to look like this week's effort is going to be mostly on our wild life...we were just asked if anyone else had noticed a bald eagle hovering over the golf course property...if anyone has give us a call...the last ones we knew of had a nest up near Hartwick Pines...

We just received a call from TC that gives us an out to get out of this stinking mess...TJ, Stef, mom and dad, and I guess the pony have just left TC to come over for a few days...the call couldn't have come at a more opportune time...

Have a nice long weekend, and remember those who cannot enjoy it...smile, there is always someone who will smile back...

Mr. and Mrs. Chester Lozon have been spending a few days visiting the former's parents in Maple Forest.

Mr. and Mrs. William Randolph and daughter Irene, and Mr. and Mrs. Byron Randolph were in Bay City Thursday.

Miss Veronica Lovely entertained several girls at her home last Thursday evening in honor of her birthday. The evening was spent working jigsaw puzzles after which the hostess served a delicious lunch. Miss Veronica was the recipient of many gifts.

Mr. and Mrs. Ed Pratt and baby and his mother, Mrs. Jim Pratt, visited relatives at Grayling Sunday.

Most of the young people of Frederic attended the ball game at Johannesburg Sunday. Frederic boys won again, score 20 to 14.

William Woodfield represented the Masonic Lodge of Grayling at the annual convention of the Grand Lodge in Saginaw Tuesday and Wednesday.

F.L. Michelson and family drove down from Johannesburg in their auto Saturday, returning the first of the week. Frank is especially fond of trout.

John Johnson and wife, now of Lansing came up last week to close a deal on their old home with Mr. Corwin.

The Michelson Lumber Company have taken some fine photographic views of their mills and the new town of Michelson. Lee Avenue seems to be the principal street and looks quite metropolitan with a fine cow in the foreground.

Peter L. Brown went to Traverse City last week and purchased a lot of modern concrete and machinery, and is ready for any kind of cement work.

The comet, which cost our people so many hours and considerable anxiety, was fairly visible Tuesday evening and watched by a large number.

Rolla Brink's arms ache yet from the strain of landing a double catch of rainbow, one of which measured sixteen and the other fifteen inches, the first of the week.

"We're so happy you're married, we'll give you up to 50% off on your auto insurance."

"If you're 23 to 25 and married, we've got a wedding gift for you... our best preferred rate on your auto insurance. We'll place you with Auto-Owners Insurance, which means you'll get a good rate plus one of the fastest, fairest claims services in the business. Come in and see us for all your insurance needs. The three of us can be very happy together."

Auto-Owners Insurance
is for newlyweds, too.

The Bible Speaks

From Calvary Baptist Church

Baptists Believe In Eternal Salvation

Baptists believe all true Christians were chosen in Christ Jesus before the foundation of the world. "According as he hath chosen us in him before the foundation of the world, that we should be holy and without blame before him in love." Eph 1:4. Baptists believe those God chose were then predestinated to become children of God. "Having predestinated us into the adoption of children by Jesus Christ to himself, according to the good pleasure of his will." Eph 1:5.

Baptist believe Christians are born-again or saved once for all eternity. This is why Peter stressed giving "diligence to make your calling and election sure." I Peter 1:10.

If one Christian is ever lost, the entire trinity of the Godhead fails because God is committed to our salvation.

1. God the Father will fail if one Christian is lost and goes to Hell.

a. It will mean the Father failed to answer the prayer of His Only begotten Son. John 17:9-12, 15, 20.

b. It will mean the saving and keeping power of the Father has failed. John 10:29, Rom 4:21, Rom 8:31-39; Eph 1:19-21.

c. It will mean the Father's infinite love has failed. Eph 1:4, Rom 5:7-10, and Rom 8:38, 39.

d. It will make the Father guilty of breaking His unconditional covenant and turn Him into a liar. John 3:16, 5:24, and 6:37.

2. God the Son will fail if one Christian is lost and goes to Hell.

a. It will mean the Son has

failed as our Intercessor. John 17:1-26, Rom 8:34; Heb 7:25.

b. It will mean the Son has failed as our Advocate. Rom 8:34, Heb 9:24, and I John 2:2.

c. It will mean the Son failed in His substitutionary death to pay the eternal price for all our sins. Rom 8:1, I Jn 2:2, Heb 10:10, 12.

d. It will mean the Son has failed in His substitutionary resurrection to provide us with the quality of life promised us in His Word.

3. God the Holy Spirit will fail if one Christian is lost and goes to Hell.

a. It will mean the Spirit has failed as agent of the New Birth to implant within us an incorruptible seed from God. John 1:12, 13, John 3:3-6, Titus 3:5, I Pet 1:23, and I Jn 3:9.

b. It will mean the Spirit has failed to eternally unite us with the eternal body of Christ at the time of Holy Spirit baptism. I Cor 12:13, Gal 3:27, and Eph 5:30.

c. It will mean the Spirit will have failed as our indweller who lives within our bodies. John 7:38, 39, I Cor 6:19. We will have gone beyond quenching Him, I Thess 5:19 and grieving Him, Eph 4:30. Wherefore we would have overpowered God the Holy Spirit and cast Him out. This is an unthinkable impossibility.

d. It will mean the Spirit will have failed to seal us until the day of redemption as He promised. Eph 1:13, 14, 4:30.

Baptism base their eternal security upon a sovereign God who cannot lie, change or fail. To trust a lesser god is to tremble without hope. (adv.)

Fuel & Weight Tax Funding Announced

The Michigan Dept. of Transportation reported in a recent release that state fuel and weight taxes claimed by 37% in the first quarter of 1979 compared with the same period of 1978.

The increase reflects higher gasoline, diesel fuel and license plate fees contained in a package of transportation bills approved last fall.

Crawford County's share will consist of \$325,698 compared to \$242,484 last year. The City of Grayling itself will receive \$21,073.

Other neighboring areas will receive the following funds: Kalkaska County (\$390,864), Kalkaska (\$20,262), Otsego County (\$400,270), City of Gaylord (\$30,235), Roscommon County (\$407,758), Roscommon (\$9,814).

Fuel taxes for the January-March quarter totaled \$124,280,797, up by 23.2 percent from the first three months of 1978. Weight taxes were up by 49.2%.

The 83 county road commissions will collect \$91,944,034 as their 38.4% of the State Trunkline Fund, up by 36.6 percent, while the 531 incorporated cities and villages will receive \$50,950,766, up by 36.5%.

**Dr. Diedrich
Addresses ABWA**

Dr. William Diedrich, Superintendent of Schools, was guest speaker at the May meeting of the American Business Women's Association held at the Shoppenagon Hotel. He discussed what has been accomplished this school year and what the future holds for the Crawford AuSable schools. Dr. Diedrich feels that the future hinges on the passage of the upcoming millage increase. His enthusiasm captured everyone's attention and a lively discussion followed his remarks on current educational problems.

A handmade driftwood centerpiece donated by Bonnie Donnelly was raffled off, adding \$23.00 to the chapter's scholarship fund and a handsome decoration to the home of winner Helen Johnson. Recipients of individual birthday cakes to celebrate May birthdays were Marty Reichelderfer, Carol Miller and Dianne Branch.

An interesting report on the recent ABWA regional conference in Grand Rapids was presented by Jane Larson, Dianne Branch and Deanna Bartelli. Highlights included special workshops and a trip to the Holland Tulip Festival. The snapshots which were passed around added to the groups' enjoyment of the report.

Oops! Sally Wert was inadvertently omitted as Co-Chairman of Boss Night in last month's news item. Sorry, Sally!

ABWA will again be participating in the Milltown Festival Kickoff Event scheduled for August 1st. More on this next month.

The June meeting will be held at the Senior Citizens' Center with entertainment being provided by the 'Kitchen Band'.

The Wednesday Morning League began last week on May 16, 1979 with Scrambles in which the four-somes of Mary Pettengill, June Schwarz, Doris Harland, and Evelyn Kent and Jeannette Kitchen, Marti Nowak, Gloria Nielson, and Jan Weadrock came in with low gross of 41. A threesome made up of Dodie Brady, Clara Beaufait, and Mable Gothro had low putts of 12. For the longest drive on number one, Evelyn Kent won, and for the longest drive on number five, the winner was Dodie Brady. A short business meeting was conducted and Doris Harland took care of the raffle again for this year. The potluck was furnished by board members Liz Vajda, Phyllis Scheer, Marge Hildebrand, Sis Burr, Pearl Tucker, Evelyn Sager, and Dorothy Phillips.

The Chippers and Putters League starting on Thursday afternoon, June 7, is organized now and promises to be a fun league. The score sheet for the summer is posted on the clubhouse main hall bulletin board, and the sign-up sheet for the tee-off time each week will be posted. Everyone is urged to contact their opponents to set their time. Letters for each team will be available at the club the end of this week with all necessary information. The handicaps used will be the same as the rest of the club is using. Dues of \$15 are due the first night of play.

Some voices at the club Sunday afternoon implied that the Grayling men won their Roscommon Day meet. If they did, we'll have the information from Gary McLaughlin next week; if they didn't, well, you'll hear about that next week, too!

Bureaucrat
 In 1875, the director of the United States Patent Office sent in his resignation and advised that his department be closed. According to newspaper accounts, he didn't think there was anything left to invent.

Frederic Hobby Club

The Frederic Hobby Club held their Annual Mother-Daughter Banquet on Monday, May 13th at the Frederic Townhall. This banquet is a yearly project for the Hobby Club, open to the Ladies of the community and surrounding area. This year there were 67 mothers and daughters in attendance.

The Mistress of Ceremonies for the evening was Mrs. Debbie Weaver, president. She welcomed everyone and introduced the speaker of the evening, Dohn Weaver. Then she gave the toast to the Mothers and the toast to the daughters was given by Mrs. Peggy Fairlini.

Esther Weaver and Marilyn Strause sang "My Mother's Bible", Marion Ayers accompanied on the organ. The Invocation and closing prayer was given by Mr. Weaver. The guests all joined in the singing of "M-O-T-H-E-R" and "America The Beautiful".

The oldest mother was Mrs. Cram, who is 85 years young; oldest mother with daughter present, Mrs. Straley and daughter Anabelle Armstrong; youngest mother with daughter, Mrs. Beth Wallace and baby; mothers with most daughters present, Esther Weaver with daughters, Carolyn, Judy and Margaret. Marilyn Strause with daughters, Sheryl, Susan and Maria, and Juanita Beck with daughters, Rose, Beth and Star; most generations were four, Mrs. Brown from Maple Forest with two daughters, four granddaughters and 4 great granddaughters.

We would like to thank each and everyone who helped make this banquet a great success again this year.

Olson Joins Insurance Firm

Herb Olson, 208 Chestnut, Grayling, has joined Farm Bureau Insurance Group (FBIG) as a new agent serving this area.

Olson, 20, recently completed FBIG's month-long Career School One, which prepared him for the state insurance licensing examination and provided instruction in all areas of property/casualty and life insurance.

As part of his training, he attended Michigan State University's Institutes on Life and Fire/Casualty Insurance, followed by two weeks of schooling at Farm Bureau Insurance Group's home office in Lansing.

Prior to joining FBIG, he attended Michigan State University and Ferris State University.

Olson joins a force of more than 340 FBIG agents serving more than a quarter of a million policyholders in Michigan.

Viewing the draft, the Duke and Liz

RICHARD MILLIMAN

Time once more for one of our infrequent strolls, barefoot among the potpourri...

Resumption of the military draft is a topic of current discussion. Admittedly I haven't paid close attention to the question of the adequacy of a volunteer force, possibly because I'm a little over the usual age limit. However, having been a draft victim myself years ago, it is of some interest, even to me.

The draft is of considerably more interest on the campus, of course...any campus. A recent letter to the editor of The Michigan State News, had some novel suggestions for resumption of the draft. Suggested Mark Dublin (presumably a student at MSU):

"I'd say bring back the draft, but only on the following conditions:

"One, that military service be compulsory only for citizens 30 years of age and older, up to, say age 65.

"Two, that people be inducted in order of age and income—oldest and richest first. Those too infirm to fight can be put on KP or assigned to clerical duties, but not allowed to issue order to combat troops.

"Three, the draft boards be staffed on a rotational basis by people subject to combat duty, whose last official act will be sign their own call-up papers.

"Likewise, the Armed Services Committees of Congress should be open only to people able and willing to fight as infantry troops in any war they approve."

No doubt about it, Mr. Dublin has some interesting ideas. If we could extend the same criteria to all nations, involving all wars, I'd be inclined to agree with his ideas—even at my own advanced age. Maybe we could make it part of the SALT agreements. It's something to think about.

Turning to the Hollywood beat for a moment...

I see by the papers where John Wayne took off on the press, claiming that after a recent hospital stay (not his latest, tragic visit, however) some reporters tried to bribe hospital workers to talk about Wayne's condition. Complained legend Wayne:

"I haven't lied to the press about anything, but they will not take our reports as truthful. They (reporters) sneak around trying to bribe people to say something that won't coincide with the official report. I don't know why it is

necessary, but I guess that is modern-day 'news methods.'

If that's what happened to Mr. Wayne, I share in his state of high dudgeon. Certainly bribery is not an accepted "modern day news method" and is to be deplored in Hollywood, or in anybody's hometown. For that matter, in depth prying into the personal lives of individuals—even famous ones like John Wayne—too often goes overboard for my money.

Shortly after reading about John Wayne's bribery claim, I came across the following dispatch, written by Beverly Stephen and distributed by the New York Daily News, which is not your run-of-the-mill bribery-type publication. Stephen was writing about Elizabeth Taylor (who has as high a level of notoriety as John Wayne), to wit:

"Now, this isn't going to be one of those boring stories exhorting Liz to lose weight. She says she likes to eat, and if it makes her fat, so what? Besides, you can still be fat and beautiful, especially if you've got a face like Liz Taylor's. It's just that she's not helping herself, and somehow we feel a little let down. We feel it's a waste if she lets herself go. We think she has a responsibility to her fans to be forever beautiful."

I just couldn't read any further...it was too much for me.

Sometimes I wonder if I'm in the same trade as writers like Beverly Stephen and the reporters who irked John Wayne. Perhaps reporters like the Liz Taylor article give rise to justified criticisms such as John Wayne levels.

Enough of celebrities. Here are some closing Nuts and Jolts, from Hod Shewell:

—Food radiation shows that science has bitten off more than it can safely chew.

—Antibiotics may cure a respiratory infection, but their price can take your breath away.

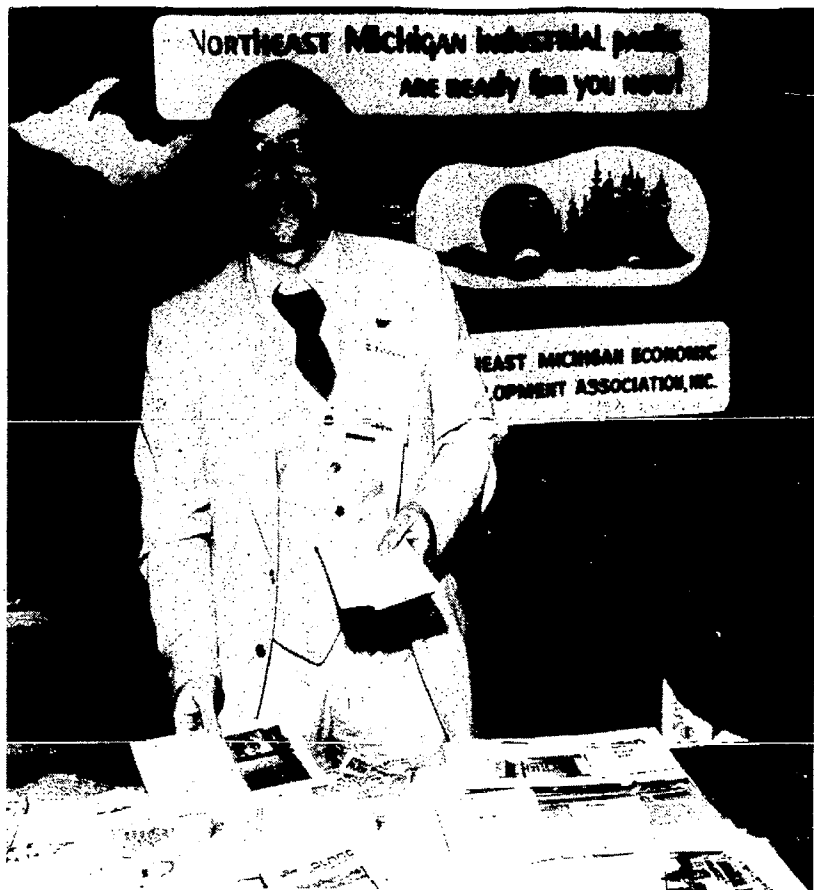

—About one more excise tax on gas and they may, as well include an excise tax because most of us will be walking.

—Did you ever stop to realize it takes more gas to get Air Force One off the ground than the average motorist will use all year?

—The most successful guy in the world is your wife's old boyfriend.

Flavorful Butter

Here's a butter you can chill, roll into a log and chill again until firm. In a small bowl cream together one stick (one-half cup) butter, softened, two tablespoons each of lemon juice and Dijon-style mustard, and salt and pepper to taste. Let the butter stand, covered, for at least one hour. Serve the butter with broiled fish.

Exercise For Fun

by Merrill Baldwin, Ext. Home Ec.

Another Exercise For Fun program will be held on Tuesday, May 22 at 7:00 p.m. at the County Building Annex in Roscommon.

Ms. Jeanine Fijolek, a Yoga teacher from Grayling, again will present the program. This event will offer you an opportunity for participating in a group activity which you will enjoy.

There is a one dollar registration fee. Anyone interested in attending this Exercise For Fun evening may contact Clara Black at the Cooperative Extension Service, Roscommon, or call 275-5043 for registration information.

Join us for an evening of fun and exercise.

Correction...

We regret that the name of Don Steffes was misspelled in our last week's edition when he was pictured on the Grayling High JV baseball squad. We regret the error and according to a local source, if you really want the truth, he's better known as "Chopper".

City Council Proceedings

The regular meeting of the City Council held Monday, May 14, 1979.
The meeting was called to order by Mayor Pro-tem Golinick at 7:35 P.M.

Members present: Golinick, Thompson, Failing.
Members absent: McEvers, Westervelt.

Also in attendance: Jerry W. Morford, City Manager, Allen V. Schreiner, City Treasurer; Nelson A. Miles, City Attorney; Carl Pillivant, Jackie Hale, Donald W. Hale, Donald Prause, Don Geiss of Herald Times, Ed Martella, Willard E. Pfaff, Mary Kelly, Marian Joseph, Jackie Bonkowski, Debbie Lozon, Sue Helmich, Jim Knowles, Curt Hanson, Mitch Linendoll, Rosie Hoffman and O. David Gauthier.
Motion by Failing, supported by Golinick that the minutes of the meeting of April 9, 1979 be approved as presented. Ayes: 3, Nays: 0, Absent: 2, motion carried.

There were no citizens present who wished to speak at this time.
Communications were received and noted:

- From MDSH re: Banners and Parade Permits.
- From Grayling Housing Commission re: Minutes.
- From Karl Woldner re: State of Superior.
- From City of Centerline re: General Liability Insurance Group.

Motion by Golinick, supported by Thompson

WHEREAS, Municipalities throughout the State of Michigan experience increasing difficulties in obtaining and maintaining adequate liability insurance coverage at reasonable premiums; and
WHEREAS, Governmental units are no longer protected by the doctrine of sovereign immunity from tort litigation, resulting in liability coverage which has, with greater frequency, caused us to become targets for lawsuits and

WHEREAS, There are a growing number of communities who have been unable to secure bids for renewal of policies or have had policies arbitrarily cancelled despite solid claims and low loss records and thus, being forced into accepting whatever coverage was offered, regardless of exorbitant premiums, or having to face the potential of calamity inherent in being uninsured; and

WHEREAS, The insurance carriers have indiscriminately categorized government as high risk class, primarily due to their lack of information and data on loss prevention and exposure identification, which if available would more accurately assess risk and equitably correlate to premiums. The lack of statistics, in view of the new legal climate, has made the municipal insurance market appear hazardous giving us no avenue of defense. Private sector agents can now freely dictate lesser line coverage, impose exclusions of vital coverages, and demand premiums that have become ever more difficult to bear; and

WHEREAS, There seems to be no relief from the uncertainty in the private market and because many of the cities, villages and townships affected are unable to provide the funds necessary to be individually self-insured.

NOW, THEREFORE, BE IT RESOLVED THAT we support the Michigan Municipal League's effort to establish a mutual liability insurance fund to relieve the impact of the insurance crisis on municipalities;

BE IT FURTHER RESOLVED THAT we would deem it to be a highly desirable service of great benefit to us all to have the Michigan Municipal League coordinate such a fund as an alternative to being left at the mercy of private sector agents; and

BE IT FINALLY RESOLVED THAT we urge the Michigan Municipal League to take action on this matter in our behalf.

Ayes: 3, Nays: 0, Absent: 2, motion carried.

LOCAL UNIT RESOLUTION CALLING PUBLIC HEARING CONCERNING PROJECT PLAN

L.P. Plastics, Inc. Project
City of Grayling, Michigan

WHEREAS, there exists in the City of Grayling (the "City") and the County of Crawford (the "County") the need for certain programs to alleviate and prevent conditions of unemployment and to assist and retain local industries and commercial enterprises and to encourage the location of industries and commercial enterprises in order to strengthen and revitalize the economy of the City and the County and provide needed services and facilities to the City and the County and the residents of each; and

WHEREAS, as one of its programs to alleviate the aforesaid conditions and accomplish said purposes, The Economic Development Corporation of the County of Crawford (the "Corporation") in conformity with Act 338, Michigan Public Acts, 1974, as amended ("Act 338"), has initiated proceedings with respect to the potential issuance of its limited obligation economic development revenue bonds to assist in the financing of the Project captioned in the title of this resolution; and

WHEREAS, the Corporation in conformity with Act 338 has prepared and submitted to the City Council a Project Plan for the Project; and

WHEREAS, pursuant to Act 338, it is necessary to hold a public hearing concerning the Project Plan prior to taking legislative action relating to it;

NOW, THEREFORE, BE IT RESOLVED THAT:

1. Pursuant to Act 338 of the City Council shall meet on May 30, 1979 at 4 o'clock P.M., at which time it shall conduct a public hearing on the Corporation's submission of the Project Plan.

2. The Clerk be and is hereby directed to give notice of such public hearing by (1) publishing a notice thereof in the Crawford County Avalanche a newspaper of general circulation in the City of Grayling, (2) posting in at least ten (10) conspicuous and public places in the Project District Area; and (3) mailing to the last known owner of each parcel of real property in the Project District Area at the last known address of the owner as shown by the tax assessment records, which notices shall be published and given at least ten (10) days prior to the date set for said hearing.

3. Said notice shall be in substantially the following form:

OFFICIAL NOTICE TO THE CITIZENS OF
THE CITY OF GRAYLING
OF PUBLIC HEARING TO CONSIDER
APPROVAL OF A PROJECT PLAN ASSUBMITTED
TO THE CITY COUNCIL OF THE CITY OF GRAYLING
BY THE ECONOMIC DEVELOPMENT CORPORATION
OF THE COUNTY OF CRAWFORD
FOR L.P. PLASTICS, INC. PROJECT

PLEASE TAKE NOTICE that pursuant to Act 338 of the Public Acts of Michigan of 1974, as amended, The Economic Development Corporation of the County of Crawford has submitted a project plan to the City Council for its approval.

The project plan contains information relative to the construction of an industrial plastics facility located on Lot Ten (10) of the Grayling Industrial Park and related improvements under the project plan (the "Project"). The Project would be acquired by The Economic Development Corporation of the County of Crawford (the "EDC") with the proceeds of approximately \$1,000,000.00 of revenue bonds issued by the EDC pursuant to Act 338. The Project would be leased to L.P. Plastics, Inc., a Michigan corporation (which would acquire title to the Project upon payment of the bonds). The revenue bonds will be secured by the Project and will be payable solely and only from the lease or payments received from the lease of the Project. The bonds will not be a general obligation of the City of Grayling or County of Crawford and will not be payable from the general or tax funds of the City or County.

No person shall be displaced as a result of the implementation of the project plan.

The project plan, related maps and drawings and other information concerning the Project and its financing are available for public inspection during regular business hours at the offices of the City Clerk in the City Hall.

The City Council will meet at 4 o'clock p.m. Wednesday, the 30th of May, 1979, at the City Hall located at 103 James Street, Grayling, Michigan and will conduct a public hearing on the advisability of approving by resolution the project plan.

The City Council may approve or reject the project plan.

THIS NOTICE is given pursuant to the requirements of Section 17 of Act 338, Public Acts of Michigan, 1974, as amended. Further information concerning the matters set out in this notice may be secured from the City Clerk's office.

All interested citizens are encouraged and will be offered an opportunity at said hearing to address the City Council concerning said project plan.

4. The City Council does hereby determine that the foregoing form of notice and the manner of publication directed is adequate notice to the citizens of the City and is well calculated to inform them of the intention of the City Council to hold a public hearing and the purpose of the public hearing.

5. All resolutions and parts of resolutions insofar as they conflict with provisions of this resolution be and the same hereby are rescinded.

Ayes: 3, Nays: 0, Absent: 2, motion carried.

New Business

a. Mr. Morford reported that the negotiations with the Teamsters Union have been completed and a settlement reached.

Motion by Golinick, supported by Failing that the negotiated Amendments to the Teamsters Contract be accepted as presented.

Ayes: 3, Nays: 0, Absent: 2, motion carried.

Motion by Golinick supported by Failing that the proposed budget schedule be approved. Ayes: 3, Nays: 0, Absent: 2, motion carried.

c. Several persons were present to discuss with Council a 1979 City Cleanup Campaign. Mr. Morford detailed what has been done in this area. Ernie Dawson explained what the business community has in mind. He noted that as a concerned businessman, he on occasion is dismayed to see some places in town. He stated that the business people stand ready to cooperate with the City in any effort toward a cleaner City. He read a letter from Mr. Emil Kraus relative to this matter. Mrs. Joseph addressed Council about a number of things which she felt would clean up the City and not cost too much money. Mr. Kelly stated that the Kiwanis Club is ready to help in this type program. Mr. Dawson asked "Who is responsible for the sidewalk in front of his house or store?" Mr. Morford replied that under City Ordinance, the property owner is responsible for maintaining the sidewalks. The general feeling was that a beautification committee should be set up to set the goals for the area.

Township Supervisor Fowler appeared to discuss a proposed road into the airport. He noted that the road to the airport is in very poor condition and requested the program to improve it. He presented a proposal from Roger Rehberg of Upper Great Lakes Commission relative to financing of this road. The proposal would cost \$3,000.00 each from Kirtland College, Grayling Township, Crawford County and the City of Grayling. This \$12,000.00 would represent the local share of the construction cost. Mrs. Kitchen also asked the City to participate in this program.

Motion by Golinick, supported by Failing that the next regular Council meeting be held on Tuesday, May 29, 1979. Ayes: 3, Nays: 0, Absent: 2, motion carried.

Motion by Thompson, supported by Failing that Per Diem expenses for Councilmen Golinick and Westervelt for attendance of the MML Region 8-9 meeting on May 10, 1979, be approved. Ayes: 3, Nays: 0, Absent: 2, motion carried.

12 Crawford County Avalanche Thursday, May 24, 1979 Road Commission Minutes

May 4, 1979

A regular meeting of the Crawford County Road Commission held in their office in Grayling, Chairman Richter presiding. Present were Chairman Ervin Richter, Commissioners Grover Cason and Gloria Kraus, Manager Charles Fox and Secretary Lorna Bernard. Absent, Engineer Ron Herneke.

The minutes of the previous meeting were read. Gloria Kraus made a motion to accept the minutes as read, seconded by Grover Cason, all voted in favor, minutes approved.

Vouchers No. 293 to 354 for Materials in the amount of \$26,859.38 were presented for approval. Motion made by Grover Cason, seconded by Gloria Kraus to approve the Vouchers, motion carried.

Joe Wakeley, County Treasurer appeared before the Board regarding the monies in the Road Commission account. The Board instructed Manager Fox and Secretary Bernard to have a meeting with Mr. Wakeley regarding the investing of Commission funds.

Jerry Annis, representing Family Life Insurance appeared before the Board requesting that they consider a payroll deduction plan for Cancer Insurance. After discussion the Board informed Mr. Annis that they would like time to consider the plan and deductions. Gloria Kraus made a motion to table the decision, seconded by Grover Cason, all voted in favor.

Ervin Richter made a motion for a 15 minute recess, seconded by Grover Cason; all voted in favor, motion carried.

The meeting resumed with Clyde Anthony, representing Road Commission employees, Douglas Dossan, Attorney and Dick Shockley from ManLife Insurance appearing before the Board regarding the pension plan. Mr. Shockley was instructed to arrive at some comparative prices for the Board on other plans.

The Board broke for lunch at one o'clock and resumed the meeting with Mr. Dossan. Gloria Kraus made a motion to close the doors for a Union negotiation meeting, seconded by Ervin Richter, all voted in favor, doors closed.

At 2:30 the doors were opened and the Board resumed their regular meeting.

Two requests were received to spread brine on county roads. The Board decided not to issue permits for spreading brine on county roads, therefore, requests denied.

Manager Fox reported to the Board that he had received notice from the United States Department of Agriculture, Soil Conservation Service, that our plan of operations to plant trees along Hartwick Pines Road did not meet their requirements for soil erosion control and they could not provide financial assistance, therefore the Board decided to abandon the program.

In response to a request from Kalkaska and Otsego Counties, Manager Fox was directed by the Board to prepare a job description and estimated costs for a full-time weighmaster. The Board also directed Clerk Bernard to set up possible meeting dates with Kalkaska and Otsego counties to discuss cost sharing of a weighmaster for the three counties.

The following permits were approved by the Board:

1. General Telephone to bury cable along Manistee River Road from M-72, 3 miles north.
2. Amoco Production Company to bury a pipe line across Manistee River Road in Sec. 7, T28N, R3W, Frederic Township.
3. Lovells Business men to install banner across 612 in Lovells.

Manager Fox reported to the Board that there is \$112,638.50 available in Safer off Systems Funds for use on our Bridge program. These funds are subject to matching funds and various engineering requirements.

The Board received a copy of a letter to Grayling City Manager, Jerry Morford, from the Department of State Highways and Transportation, Alpena District Permit Engineer, stating that all parade and banner permits on State roads must be issued in the name of the governing body of a City, Village or Township.

Manager Fox discussed a grievance and possible solution with the Board. Manager Fox was directed to resolve the problem.

The Board authorized the repair of a diesel engine for the approximate cost of \$3000.00.

The Board authorized the sale of a copy machine. Clerk Bernard was directed to advertise for bids.

There being no further business, a motion was made by Grover Cason, supported by Gloria Kraus to adjourn. All voted in favor, meeting adjourned.

Size Standards Effective July 15

"Use up your small and undersized envelopes and cards before July 15," Postmaster Jim Baker reminds customers. That is the date when the Postal Service's new size standards become effective.

The Grayling Postmaster said that after July 15, envelopes and cards measuring less than 3 1/2 inches high or 5 inches long will be returned to the sender if mailed.

Postmaster Baker said that because the envelope and greeting card industries have had more than three years to prepare for the new standards, few retailers should still be selling undersized pieces.

"Many consumers, however, are likely to still have smaller envelopes and cards in their supply of stationery," Baker said.

The regulations also prohibit flimsy cards. In the future they must be at least seven-thousandths (.007) of an inch thick. An official postal card, for instance, has a thickness of nine thousandths of an inch.

Undersized pieces and flimsy cards are being banned because they can become trapped in other mail, tear and jam mail processing machinery. As a result, the letters of others can also be damaged.

The standards also affect oversized and odd-shaped pieces of mail, Baker said. For first-class mail weighing one ounce or less, there will be a surcharge of 7 cents for pieces more than 6 1/8th inches high or 11 1/2 inches long.

For more information, the postmaster suggests customers check with a post office window clerk.

Different Views

Three men of varying backgrounds were together on an overlook at the Grand Canyon.

"What a wonder of science," said the archeologist.

"One of the glories of God," remarked the clergyman.

"A terrible place to lose a cow," observed the rancher.

Attend the Church of Your Choice

Sure, one of these days I'll be marching out in cap and gown with a diploma in my hand to take my place in that world of ours. Lots of things I'll be needing then besides a degree...

I'll need what they call character! And a sense of values! I'll need ethical principles, moral standards. A deep awareness of the meaning of duty, of honesty, of integrity. And on the way to all of these I'll need to discover a Faith by which to live.

There are strong churches in our community, with fine programs of religious education. I think my parents expect to start me in Sunday School.

But I haven't yet commenced. My most important beginning hasn't begun.

Please Dad! Please Mom! Think about my commencement.

Summer Fluoride Program

It still is not too late to sign up for the summer topical fluoride program. There's a new saying going around "Ignore your teeth and they will go away".

All too often we neglect our teeth. So today call your local Health Department and enroll your child in the summer program for prevention of decay.

Brushing regularly and limiting sweets does help. But let's go that one step further and protect with Fluoride; this can prevent 40% of new tooth decay.

Children 3 and 4 years of age, 2nd, 5th and 8th graders are eligible.

Why wait, call today.

Earns Degree

Tamara Ann VanNuck, daughter of Mr. and Mrs. Allen VanNuck of Shangri-la Subdivision, Grayling, received her diploma from Kendall School of Design in Grand Rapids at their 51st Annual Graduation on May 2, 1979. She is a Grayling High School graduate of the Class of 1974.

Tammy's portfolio consists of mostly photography and advertising designs. She is awaiting news about employment in the Los Angeles area. She plans to return to Grayling for a short visit with family and friends.

Grayling Elementary Students Fare Well at Special Olympics

After weeks of practicing and training, six students from Grayling Elementary went to the local Special Olympics in West Branch. The day began with opening ceremonies on Saturday, May 12th. After the parade, color flag, raising of the flag and balloon launch, the games began.

Pepper Gorten received 2nd place ribbons in softball throw, frisbee distance and tug-of-war. Lori Bergey received 1st place ribbons in frisbee distance, frisbee accuracy, softball throw and 50 yard dash and 2nd place ribbons in standing broad jump and tug-of-war. David Argue received a 1st place ribbon in standing broad jump and 2nd place ribbons in frisbee distance, softball throw and tug-of-war. Chris Wylie received 1st place ribbons in 50 yard dash and Frisbee accuracy. Bobby Rollins received 2nd place ribbons in 50 yard dash, softball throw, standing broad jump and tug-of-war. Bobby Stillwell received a 2nd place ribbon in tug-of-war.

Going on to the State Special Olympics at C.M.U. in Mt. Pleasant on May 31st, June 1st and 2nd are Chris Wylie, Lori Bergey, Bobby Stillwell, David Argue and Bobby Rollins.

Volunteers Ready to Work

The Crawford County Historical Museum will be opened for the summer season on Memorial Day weekend if things go as planned.

We hope that Friday, May 25th, will start another successful season for the museum. This will be the 6th year of operation since being organized.

There are several additions to the artifacts and pictures since last year. Won't you come in and see the antique bellows type organ that was acquired from the Michelson United Methodist Church of Grayling. I would appreciate any information or history about the organ from our pioneers. At this time I would like to thank Charles Fick and his men for the delivery of the organ from

the church to the museum.

The Crawford County people should be proud of this museum. It is a place where young and old can explore and view scenes and artifacts of by gone days.

We have visited many historical museums in the southern part of Texas. It is Mrs. Fenton's and my opinion that the Crawford County Historical Museum is comparable to or better than most of the museums located in towns the size of Grayling.

Won't you help support your Crawford County Historical Museum with memberships and visits? The new telephone number at the museum for this year will be 348-7259. See you at the museum.

District Court

The following appeared before District Judge Francis L. Walsh in 83rd District Court last week:

A charge of unlawfully driving away an automobile was dismissed against Patrick Gildner, 20, Grayling, by the prosecutor's office due to insufficient evidence.

Margaret Louise Duke, 47, Grayling, pled guilty to a charge of impaired driving and was fined \$185 or 14 days in jail.

Terry Press, 18, Grayling, demanded preliminary examination on a charge of joyriding. The 12-day period was waived and a \$100 cash/surety bond was set.

Big City Jacksonville, Florida, has the largest total land area of any city in the United States. It takes in 460 square miles which is almost twice the area Los Angeles encompasses.

In the District Court for The County of Crawford
Harold M. Guedry, Plaintiff,
VS.

Louis E. Flood and
Michelle R. Flood, Defendants.
FILE NO. LT 79 005

Petitioners motion for an order allowing service of process by publication upon defendants, Louis E. Flood and Michelle R. Flood having been heard, and an affidavit filed in support of said motion having been considered, the court finds that service of process by publication provided for under DCR 106 is necessary as the whereabouts of the defendant(s) and their residence (is) unknown; that the defendant(s) probably reside(s) outside of the state; and that a summons and complaint has been returned showing that service of process cannot be made in the country where the defendant(s) previously resided.

NOW THEREFORE, the defendant(s) Louis E. Flood and Michelle R. Flood, are hereby notified that a civil action has been commenced against defendants for forfeiture of a certain land contract Dated May 13, 1977 between the parties hereto for the following described property, to wit:

Parcel "L" The South 1/2 of the South 1/2 of the North 1/2 of the North 1/2 of the Southeast 1/4 of Section 21, Town 28 North, Range 3 West, containing 10.03 acres, Township of Maple Forest, Crawford County, Michigan.

And that, if you desire to defend same, you are required to answer or take such other action as may be permitted by law with regard to the complaint filed against you, in the District Court for the County of Crawford on or before June 12, 1979 at 3:00 o'clock in the afternoon, if you fail to do so, judgment by default will be taken against you for the relief demanded in the complaint.

Dated: May 8, 1979
Honorable Francis L. Walsh
District Judge

I, hereby, certify that the foregoing is a true and correct copy of the original thereof on file in this office, 83rd District Court by Deputy Clerk Carol Conklin.

5th Graders Visit Radio Station

On Friday, May 18, 1979 Mrs. Frause's 5th grade class of Frederic Elementary went to WQON in Grayling. Mr. Alma drove the school bus for us. Carol Trudeau took six kids at a time and gave them a tour. One out of the six demonstrated what their voice would sound like on the radio. Mr. Hlavacek told us about commercials and how they are taped. He also let us listen to a few.

Afterwards, we went to the Nickelodeon, where we bought ice cream and candy treats. Mrs. Branch let us play the player piano.

Two mothers, Mrs. Marnez and Mrs. Cross, went with us. Ms. Knibbs, our substitute teacher for the rest of the school year took our class on the field trip. By Jeffrey Martinez

Call "Miss Dig" When Working Near Gas Lines

Cadillac-Gas pipeline ruptures and fires, severe electric shocks or interruptions of utility services are possible when youngsters or others remove color-coded stakes and markers used to identify underground pipes and cables.

"These markers are designed to alert workers about the presence of gas, electric, telephone, water or sewer lines," W.C. Allen, District Manager said. "In areas where they have been taken or moved and excavation work begins, serious accidents could take place."

Stakes and wire markers are placed through Michigan's "Miss Dig" program. The program is aimed at everyone, from a contractor operating a crane to a homeowner planning a tree.

"Miss Dig," a telephone notification system, was set up in 1970 to prevent damage to underground utility lines—on April 2, the program was expanded to cover overhead utility lines as well.

The organization's 30 member call center staff received more than 250,000 calls each year and transmits 1.5 million utility line marking requests to the 313 participating utilities and public agencies.

The toll-free telephone number for "Miss Dig" is 800-482-1717.

"Since its inception, this program has been able to prevent numerous outages and potential injuries that could have resulted from underground excavations," Allen said. "However, if we are to continue that record, we must have the cooperation of the public in making certain that utility service markers are not disturbed."

Ray and Jean Elsey returned Sunday from a ten-day trip to New York state. They visited their son, Don Elsey in Endicott and visited many of the old mansions along the Hudson River Valley and also going into Delaware to visit some historic places.

Art and Lillian Clough have returned to their home here after spending the winter at their Englewood, Florida home.

At an afternoon meeting at Edgewater-on-the-AuSable Sunday afternoon several members of the Stephan family began plans for a Stephan Settlement Centennial for Sunday, July 29, during the Grayling Milltown Days. Edgewater is the site of the original family settlement. There will be a potluck dinner, and a walking tour conducted by Norval and Herbert Stephan, as well as an afternoon of swapping family stories. Letters are being read to be sent out in the hopes of contacting all direct descendants of Peter and Helene Stephan. If you are a descendant or know of someone who is let them know. Get your family pictures together and family tree information. They are hoping to have as many of the family as possible attend. Anyone wanting information, contact Pat Fowler, R. 2 Box 2822, Grayling, MI. 49738. They are especially looking for a seventh generation in this family. Do you know of one?

Since 1879 was the year that many of the pioneers came to Grayling, the Schreifers, Hoessls, Feldhausers, and there are probably other families they should consider a family get-together for this 100th year. How many other families still represented in Grayling came that year?

Helen Catlin of Toledo, Ohio, spent a day in Grayling last week.

The George Dices on the AuSable had some excitement last Wednesday morning when a big deer could be seen wandering around Penrod's yard.

Mr. and Mrs. John Fick were in Flint to attend the marriage of their granddaughter, Dances to Sam Doak. Mr. and Mrs. Charles Fick attended the wedding also.

Rice There are numerous ways to cook rice. Some prefer to wash rice free of starch prior to cooking; others rinse it in cold water after boiling. Some boil it in small amounts of water and others in large quantities. Some cooks cover the pot and others who boil the rice rapidly uncovered or steam it to perfection.

Belated Happy Birthday May 18th to Harold Barker of Charles St. Frederic. On Saturday the 19th Harold was surprised by members of his family upon arrival at Jones Lake, meeting him there were his father, Mr. & Mrs. Floyd Barker of Rome Center; Brother Mr. & Mrs. Vernon Barker of Tipton; nieces Mr. & Mrs. Ed Blanton and three children of Tecumseh, and Mr. & Mrs. Ron Randolph and two children of Tipton, his wife Eunice and three sons, Raymond, Randy and Jeffrey. On Friday evening he received a call from his son Keith who is stationed in Norfolk, Va. with the Navy.

A very pleasant afternoon and evening was had by all, also a real nice dinner was enjoyed by all 18 on Sunday at the lake before everyone departed for home.

THE JOHN PHILIP SOUSA BAND AWARD was given to senior Carolyn Ayers at the high school band's last concert for this school year held at the Middle School last Wednesday evening. According to Band Director, Jeff Bennett, the award goes annually to the outstanding Senior band member. Carolyn plays the bass clarinet and saxophone.

Most improved player awards were given to Todd Gabriel, a junior saxophonist and John O'Mara, a freshman trumpet player. Shown here are John O'Mara (left) and Todd Gabriel (seated) showing their joint award while Band Director Jeff Bennett presents the Sousa Award to Carolyn Ayers. (Joe Schrader photo)

Your Help

(Continued from Page 1)

attempt to contact any resources that are necessary. At times it is necessary to contact the police agencies and we have found that Pete Stephan, Curt Haas, and their respective staff, have been very cooperative in our investigations. We attempt to work together with the police agencies in attempting to assess the family situation and to maintain the family unit.

It is very important to realize that our goal in protective services is to keep the family and all of its members together. There is a myth that our purpose is to remove children from their homes. That is definitely not correct. What we attempt to do is alleviate many of the tensions that are prevalent within the family, because of lack of control of the children, parental drug abuse, etc., and hopefully maintain a cohesive family unit. It should be noted however, if the situation is serious enough and the parents will not cooperate or are not able to provide the necessary care for the children, that one of the functions of children protective services is to file petitions with the probate court and to recommend to the court the necessary measures to improve the family situation.

It certainly places the probate court in a difficult position and we attempt to provide them all the information that we can in these cases. Judge Emil Kraus and his staff, have been continually more cooperative in their handling of child abuse & neglect complaints. It is very necessary to develop a set procedure in handling those complaints and since this entire idea is quite new to this county we have certainly experienced growing pains. However, we are becoming more and more cohesive with probate court and hopefully this strong working relationship will continue so we can provide the best service to the families of Crawford County without undue adversary action in the court system.

The important thing to remember is that when we receive a referral concerning child abuse and neglect, whether it is during the day or night, you can be assured that an experienced children protective services worker will assess the complaint and do whatever is necessary to improve the situation for the children and the family as a whole.

If you have any further questions about this area, please do not hesitate to contact me in whatever way is comfortable for you.

Next week we will discuss the types of services that Crawford County has to offer to these families.

Timberview

(Continued from Page 1)

will reach a young 90 years of age this coming November 7th.

"We call her our one-person welcoming committee", said Barb Selesky, Timberview Director, "she's a friend to everybody."

Timberview Village, located some eight miles north of Grayling on Old 27, has been in operation about two years now and is licensed for 12 residents. Five members make of the facility's staff, and someone is on hand 24 hours a day. The Adult Foster Care Facility now has its first "Mother of the Year", a tradition it plans to continue on an annual basis.

Mrs. McLeod attends all "Over 80" Senior Citizen's Parties where she's termed "a big hit". She just may be the oldest living resident born and raised here in Crawford County. Timberview Village has been the lucky recipient of Mrs. McLeod since April of last year.

Her son William and his wife Dorothy have two sons Richard and Jon and also she has two great grandsons, six great-grandchildren and three great-great-grandchildren.

"I've seen a lot of changes here in Grayling during my lifetime", Mrs. McLeod concluded after being presented her special award.

by Fay Bovee

Robert Herbison of Saskatoon, Sask. Canada, was a visitor in Grayling last week, calling on old friends and schoolmates. He was remembered as the son of Louis & Anna Boeson Herbison, and was a graduate of Grayling High School in the class of 1940. He is now associated with one of the major meat packing industries of Canada, where he has made his home for a number of years.

Fred Hoelsi of Holland, Michigan visited his mother, Mrs. Daniel Hoelsi for Mother's Day.

Mr. and Mrs. Earl Nelson returned to their Lake Margrethe home on May 4th. After spending the winter at their home in Leesburg, Florida. Enroute back they enjoyed visits at the home of their three sons in Lansing, Mason and Pontiac.

Mr. and Mrs. John Kasper of Davison spent the weekend visiting his mother, Mrs. Joseph Kasper.
